

COLORS:

FOREST *LITE MOP UP*

Forest-Lite Mop-Up is a 3/4" diameter lightweight, compact single jacket hose. The optional polymer treatment greatly increases abrasion, heat, and flame resistance while virtually eliminating water pick-up. With 50' of forestry fire hose weighing just 2 lbs. and a coil diameter of approximately 9 inches, this hose can be taken almost anywhere.

Construction – High tenacity filament polyester as warp and weft, thermoplastic polyurethane (TPU) liner.

Application – Light duty fire hose, supply sprinklers, remote fireline protection.

Color – White, yellow

Couplings – HD Brass GHT threaded ends

Lengths – Available in 50' and 100' lengths.

Size (in)	Service Test PSI	Burst Test PSI
